## APPLICATION

In what ways are we **demonstrating** that the Word of God is central to our life as a church?

How might the **centrality** of the Word of God become more evident in our life together?

---

## PERSONAL REFLECTION

Do I live as if I **love** God's Word? What does that look like?

What aspects of my true **identity** in Christ do I need to be reminded of by God (e.g., I am God's child, I am forgiven, I need others, I am called to serve God, etc.)?

What action do I want to take as a result of this message?
