

HOPE 4 MY CITY

Pastorgregonline Blog

In 2024, Greg surpassed 1200 blog entries with the addition of some new categories, Tweets by Jesus and Manna Minute. All time searched post blog is Lessons from Gideon - Clothed in the Spirit with 347. One of the Gideon entries are read everyday, along with the children's stories of David.

I plan to make Jimbob and Wally into their own Podcast. I have recorded over 80 on the PGonline blog which can be found on the Saturday Story Time Category. I will rerelease these on the new site while adding more.

Backpack Connections

Pam, affectionately also known as the "Backpack Lady", pushes forward (21 years in the making) in assisting families and schools with backpacks & supplies. Connecting with HighSocks for Hope we have been able to give quality toys and shoes with the school supplies.

Cousin Camp

"One Way Jesus" was our theme for Cousin Camp 2024. Samantha, Davis, Stephen and Adelaide endured sweltering heat which forced us indoors to the McWane Center in B'ham. Pammaw rocked it with snacks and games.

Walk In Victory - Pakistan

Wow. Thanks so much for participating and praying for our ministry in Pakistan.

Highlights for 2024

♦ Redeeming a Life - In

April, we helped purchase the freedom for a man condemned to be hung for an accidental death of a muslim man. The justice system allowed for the redemption monies to help the widowed woman and her sons. The man we redeemed gave his heart to the Lord and was baptized. The family gives much thanks to those in the USA who helped.

♦ **Wedding** - Sister Henna, who leads the weekly children's outreach of 30-40 children was married in November. We helped with monies for the wedding day and celebration. She helped with the Christmas special, pictured on the left with Santa and child.

♦ **The Jesus Movie** - We shared the movie twice this year as an evangelistic outreach. The last village asked to see the movie right before Christmas. Several muslim families joined.

♦ **Food Baskets for Families** -

Each Christmas, 10 families are chosen to receive boxes of food and rice. These families are so

appreciative for the church's expression of love.

♦ **Church is Growing** - Pastor Shokat, Evangelist Rashid and Elder Rashad are actively discipling and the church is growing with regular attendance of 120. We have \$1000 left for the purchase of the church facility. PTL

JH Ranch Intercessor Training

Pam and I are Prayer Team leaders for JH Outback Tuscaloosa which host camps in the spring and fall. We coordinate 40 days of prayer leading to the event, 48 hours of prayer during the event, Blessing the Land, and praying with the campers. Thanks for praying for us. Visit jhoutback.com

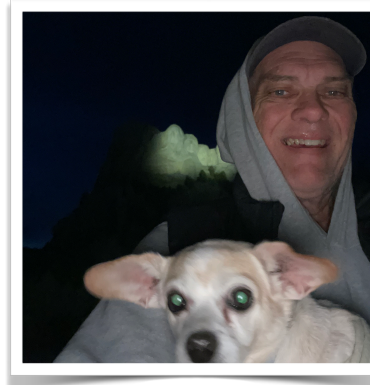

The JH Outback weekend flows out of the JH Ranch ministry in California. They host retreats for Father/ Sons, Father/ Daughters, Mother/Sons, Mother/ Daughters and Husband/Wives. Volunteer Intercessors are on site during the whole week of camp. Pam and I had the privilege of attending June 29th - July 6th. It sure helps to gain insight on how to pray while you are on-site of this beautiful piece of property in northern California.

End of Year News

- Hurricane Helene** The devastation made such an impact that I quit my bus driving job for a season to help repair homes in Georgia with my brother-in-love, Kevin Parker, in Baxley, GA. Since the end of October we have roofed a church and homes damaged by wind, not to mention the prayers for encouragement.
- Melody Gets Married and a Chick Fil A store.** In September, Melody rang the Bell as she was selected to be the owner/operator of the Chick Fil A in Marysville, WA beginning Jan 1, 2025. This wonderful news accelerated the timeline for a wedding. Melody and Campbell Cave were wed at Freedom Farm's Chapel in Coker, AL on December 8th, 2024. Pictures coming. We are so excited for their Journey UP!

•**Road Trip** - After the wedding, I had the privilege to drive Melody's car and Belle, her Chihuahua, across 13 states all the way to Washington. (2600 miles) We made one extra stop to see Mt Rushmore, Flew home. Pam and I are officially now empty nesters. Not even an extra pet

- Prayers for Pam and I** - For Pam - recovery from a tough election season 🙄 as she is the Board of Registrar Chair for Tuscaloosa County. 1. Managing a new season for grand-parenting and ministry. 2. Produce a PG Time Podcast where Pam and I share stories of encouragement 3. One more try at publishing my writing into some books.
- Prayers for You** - Please call, text or email your prayer concerns for you and your family.
